- Kona Ice on Friday

## HAVING GRATITUDE

This month we talked to students about how to give and show gratitude. Take the time to talk with your child about the things they are grateful for. Show them how to express gratitude for things they think are important to them.

## LIFE SKILL: EXPRESSING

## GRATITUDE

PRO TIP 1: Always remind yourself what you are grateful for.

PRO TIP 2: Don't focus on what you don't have and focus on what you do have.

PRO TIP 3: Be grateful for everything, big and small.
